

Ministry Spotlight: Altar Guild

As the pandemic wanes, Grace is getting back into the full swing of worship. The altar guild members play critical a role in our weekly Sunday celebration.

The Altar Guild works behind the scenes each week to prepare the altar and the “elements,” or bread and wine, so that they can be transformed through our prayer and the Holy Spirit to become life-giving vessels that binds us together as a people “forgiven, healed and renewed,” as we pray after Communion. This is a quiet, reverent ministry, often completed on a Friday or Saturday and on Sunday mornings.

Might you consider “trying out” one of these roles? We are building up our teams so that you’d likely serve about once a month, and we work around your availability. We are arranging “come and see” session on Saturday, April 30 at 10:00 am for Altar Guild and Sunday, May 1 a 10:05 am for ushers. Contact the Rector (rector@gracewaynesville.com) or our current ushers or altar guild members to learn more.
